

## Confronted by Truth

Pilate questioned Jesus saying What is Truth? (John 18:38)

Like so many before him, he was simply unable to recognize the truth that stood before him.

Jesus stated clearly that He in fact was the truth. (John 14:6)

Jesus pointed to truth as being the life and realities of the Kingdom of God.

### Impact and Effect of Truth

- What does truth do to people?
  - It reveals desires and motives- John 6:26
  - It sets people free- John 8:32
  - It will judge people- John 12:48
- There is a weightiness that accompanies truth-- John 16:12

### How does one find the truth?

- The Holy Spirit is the Spirit of truth- John 15:26
- The Holy Spirit guides into ALL TRUTH- John 16:13

### Why does it matter?

- We are made holy by God's truth- John 17:17

### Truth in the life of the Christian

The truth forces us to deal with those lies that we have considered truth

How are you responding to the Holy Spirit's leading?

Is there room in your heart for God's truth?

I would like any extra room on the outline to have empty lines like the ones below... thanks
