Part Five

JOHN 14:12-14

Even as much as we eventually do understand, or attain, the reality of what Jesus promises is **even greater still**.

1 CORINTHIANS 2:1-16

As a church, we're on our way to **living what Jesus is giving**.

As a church, we have the greatest opportunity to know and live the **life that is God's Kingdom**.

THE FIRST SIX REASONS (OUT OF TEN) WHY WE CAN BELIEVE THOSE TWO STATEMENTS

#1 We have leaders understand God's hidden plan for His church, and who understand what it takes to live out God's purpose that is **revealed in that plan**.

#2 Our leaders have an ironclad resolve to lead God's people **into God's promises**.

#3 We have **only one vision**.

*Anything more than one vision **produces di-vision!!!***

#4 We know who we are and **what we're called to do**.
